

Days of Zielona Góra - Wine Feast (Vintage Days) September 2nd – 10th, 2017

The Wine Feast in Zielona Góra (Winobranie = Vintage Days) is one of the most recognizable events in Poland. It commemorates the wine making traditions of Zielona Góra which date back to the 14th century. Zielona Góra houses the Wine Museum (the only one of its kind in Poland), situated in the building of Lubuskie Regional Museum. The pedestrian zone (almost 3 kms long) turns into a huge open air market with lots of regional items, as well as the market with stands of the local wineries which sell their wines and other products like regional honey. You will find it near the town hall situated in the middle of the Old Town Market (Stary Rynek). There will be many accompanying events including concerts, sport tournaments, dance presentations and many, many others. Absolute must see is a cortage of Bacchus on Saturday (September 9th) (Korowód) showing the wineries and cultural life of Zielona Góra.
